(Work to be completed within one year of permit approval.)

Tax Account # _____

Permit No. _____

The undersigned, the Commissioner of Public Works/ Superintendent of Highways, of the Town of Irondequoit, County of Monroe, upon written application of _____, whose address is _____, dated on the _____ day of _____, _____, hereby grants work described as follows _____

_____ to be performed on the public right-of-way describes as follows _____

This permit is granted subject to the following conditions:

1. The work authorized by this permit shall be performed in a manner satisfactory to the Town Commissioner of Public Works/Superintendent of Highways.
2. The applicant is to keep in good repair all pipes, hydrants or appurtenances which may be placed within the bounds of the right-of-way.
3. The right-of-way under terms of this permit and is to save the Town harmless from all damages which may accrue by reason of their location, and upon notice by the Town Commissioner of Public Works/Superintendent of Highways, the applicant agrees to make any repairs required for the protection and preservation of the right-of-way and further agrees that upon the failure of the applicant to make such repairs, that they may be made by the Town Commissioner of Public Works/Superintendent of Highways at the expense of the applicant pursuant to Town Code sections §§ 199-17 to 199-120.
4. Care must be taken not to interfere with drainage ditches or structures.
5. Before starting any work, please notify utility companies.
6. It is agreed by the applicant that any injury or disturbance of the macadam portion of the right-of-way, its shoulders, drainage ditches, sewer or water pipes and their appurtenances shall be repaired by and at the expense of the applicant to the satisfaction of the Town Commissioner of Public Works/Superintendent of Highways.
7. The Town Commissioner of Public Works/Superintendent of Highways may, upon the failure of the applicant to comply with any of the conditions contained herein, revoke this permit and remove any improvements or appurtenances which may have been placed in the right-of-way under this permit, at the expense of the applicant, pursuant to Town Code sections §§ 199-17 to 199-20.
8. If the road where the right-of-way exists upon which this permit is issued is at the time of issuance a town highway, and should it be thereafter improved by State aid as a State or county highway, it is agreed that the applicant shall, before its improvement at the applicant's own expense remove drainage, sewer, water pipes or appurtenances which may be placed under this permit and will relay the same in conformity with the directions of the engineer in charge of such improvement and in accordance with the rules and regulations prescribed by the State Commission of Highways.
9. Applicant agrees to pay all Monroe County filing fees associated with this permit application.
10. All Small Cell Communication Towers must attain an annual Right of Way Permit & License Agreement.
11. Applicant agrees to pay the Town permit of \$_____.
