A Message from the Chief of Police

In 2018, the Irondequoit Police Department continued to provide a high level of public safety services to our stakeholders by a group of professional police officers and support staff members. The core values identified by our agency such as integrity, professionalism, accountability, training and education were the foundation of the work that was done. The Irondequoit Police Department continues to offer training programs to our team members in an effort to provide them with the resources to perform their duties during these challenging times. We also continued to partner with community groups such as the Willow Domestic Violence Center, the Center for Dispute Settlement, various faith-based community groups, and others that share a common goal.

Because of the opioid crisis that has negatively impacted every community in the United States, the Irondequoit Police Department aggressively investigated several opioid/heroin related incidents. The members of the Irondequoit Police Department were able to complete an investigation that resulted in a conviction of Criminally Neglect Homicide because of a fatal overdose. This was one of seven connections in Monroe County in 2018 that certainly demonstrates our commitment to these tragic situations. We also partnered with the faith and recovery community to open “IronGates”, a community support site that can offer resources to those struggling with addiction. In addition to resources, staff members are on site to offer direction, support, and Narcan Training so that a fatal overdose can be avoided.

The Irondequoit Police Department continues to work within the mental health community to offer a high level of service to those in immediate need. We have trained additional Crisis Intervention Team members, and have partnered with the Monroe County Office of Mental Health to conduct community outreach and “home visits” to those individuals we have encountered during our patrols. By having a mental health professional working with a police officer, we hope to assist with support and intervention in an effort to avoid a crisis level situation.

The Irondequoit Police Department continues to grow and develop our community partnerships with the Autism Council of Rochester, N.Y.S. Special Olympics, Greater Rochester Police Community Relations Committee, school-based programs, business organizations and corporate partners. The Irondequoit Police Department conducted a number of Active Shooter Training discussions and experiences with our local schools, faith-based worship sites, the business community and the Town of Irondequoit Campus Offices. These have been very productive in assessing the facility security that each of these facilities need to address.

The Irondequoit Police Department conducted a number of Police Community Relations Forums in the fall of 2018. This included a community forum at the Irondequoit Public Library, a forum engagement of high school students, and a community engagement effort with the Monroe Community College Criminal Justice Faculty and Students. All these forums provided insight and guidance from the feedback that was presented.

We have much to be proud of as we reflect on the professional and exceptional performance of our police officers and staff in 2018. We will continue to build on those actions that were successful, and revisit those areas that we need to develop further for an enhanced performance opportunity. It is truly an honor to work with such a dedicated group of men and women at the Irondequoit Police Department.

The Irondequoit community has been very supportive of our efforts, and continually provides feedback on the performance of our personnel. We value that feedback, and are fortunate to work in such a caring community.

I always welcome your comments, concerns and ideas as we continue to build for the future. I can be contacted by email at rtantalo@irondequoit.org or by calling my office at (585) 336-6005.

Sincerely,

Richard V. Tantalo
Chief of Police

Cops on Top

Members of the Irondequoit Police Department participated in ‘Cops on Top’ at Dunkin’ Donuts. ‘Cops on Top’ is a program that aims to raise money for the athletes participating in the Special Olympics of New York. The Irondequoit Police department was able to raise over $1,000 for the athletes. Overall, just under $13,000.00 was raised by the 11 participating agencies at 14 Dunkin’ Donuts locations!
Bicycle Safety Rodeo

On June 2, 2018, the Irondequoit Police Department hosted its annual Bike Rodeo with the help of the Monroe County Office of Traffic Safety. Participants were able to learn about bike safety, test their bike riding skills, and get fitted for a helmet. If participants did not have a helmet, they were provided a brand new one! At the end of the course, participants were provided with popsicles that were donated by Tops Friendly Markets.

Participants were able to enter their names into a raffle to win a new bike or other bike accessories such as bells and locks. The items to be raffled off were donated by Target and the Irondequoit Police Volunteers.

The event would not have been a smashing success without the generous donations from Target, Ridge Donut, Dan Magill, Jean Triest from the Monroe County Office of Traffic Safety, National Center for Missing & Exploited Children, the Irondequoit Police Volunteers (IPV) & the community volunteers.

Kickball with the Cops

In conjunction with the Irondequoit Parks and Recreation Department, the Irondequoit Police Department participated in “Kickball with the Cops” at several summer camp locations and playgrounds. This program was designed to develop a rapport between kids and police officers and allowed children to interact with police officers in a fun and personal setting. As the program grew, local fire departments joined in. At times, the games became intense and the score questionable! At the conclusion of each game, the kids were cooled down by a fire department pumper truck, followed by popsicles donated by Tops Friendly Market.
The Irondequoit Police Department was one of the founding members of the Greater Rochester Police Community Relations Partnership. This community group consisted of law enforcement agencies, faith based leaders and community members. This group was established shortly after the President’s Task Force Report on 21st Century Policing was issued and some questions were raised about police related situations in the Greater Rochester community. This partnership hosted four Community Summits that were held in the City of Rochester and one of the goals established by the Partnership was for local police agencies to host such forums outside the City of Rochester.

The Irondequoit Police Department partnered with the Irondequoit Public Library and was supported by Irondequoit Government Officials in hosting the first Forum of its kind in a suburban setting. The Irondequoit Police Community Relations Forum was held in September of 2018 and over 75 stakeholders attended the event. The planning committee for this Forum consisted of community members who sought to enhance police community relations. The Forum offered several breakout sessions that utilized the services of volunteer facilities that represented a broad section of the greater community. The conversation and discussion was exceptional during this process. The results from the breakout sessions and community dialogue served as the framework for the Police Community Relations Forum “report to the Community”. A number of initiatives were identified for action and will be reviewed for implementation over the next two years. A copy of the report can be obtained by request at police@irondequoit.org.
Police Community Relations

In 2016, the Irondequoit Police Department joined with other police agencies and the faith-based community to host a Summit on Police Community Relations. This was established after Chief Tantalo and other police executives attended a White House Briefing on the President’s Task Force on 21st Century Policing Report. The Six Pillars identified in this national report served as the foundation for the Police Community Relations Summit and the subsequent action items that have been identified. From that initial Summit, additional meetings have been held to build public trust, establish a higher level of communication and collaboration, expand our capacity to form working relationships, and work to assist those in need during a criminal justice related issue. During this process, positive relationships & initiatives have been developed around police training, police and community communication, and recruitment efforts. The Irondequoit Police Department has been an active participant by serving on the advisory committee with other community stakeholders. In 2018, two additional Summits were held that broadened the conversations, involvement and action items of this group.
Coffee with the Chief

Coffee with the Chief is an event that allows community members to meet with Chief Tantalo to ask questions and build relationships. This event enhances the level of communication that the Irondequoit Police Department has with the public. In 2018, the event was hosted at several different locations, including the Irondequoit Public Library and St Ann's Community at Chapel Oaks. Officer Lawton was also able to join Chief Tantalo at several of these events to meet members of the community.

National Night Out

On August 1, 2018, the Irondequoit Police Department hosted its annual National Night Out celebration. National Night Out is an annual community event that promotes police-community relationships. National Night Out enhances the relationship between neighbors and law enforcement while also giving tips on preventing crime in the area.

During the event, attendees heard from guest speakers and dignitaries. Julian Munoz, a child from the Irondequoit Community, was sworn in as the Honorary Chief of Police and helped Supervisor Seeley and Chief Tantalo present awards several Irondequoit citizens and others who made a difference in the Irondequoit Community in 2018. Departmental awards were also presented to several officers.
In addition to the Irondequoit Police Department, several other first responders and law enforcement agencies were in attendance including the Irondequoit Fire Departments, Irondequoit Ambulance, Monroe Ambulance, the New York State Police, the Rochester Police Department Scuba Squad, the US Coast Guard, the US Marshals Service, US Border Patrol, and the Department of Environmental Conservation.

Several local vendors and organizations also attended the event to promote safety and crime prevention. Wegmans provided dinner and ice cream for those who attended and many local businesses and community organizations donated items to be raffled off at the event.

This event was a great success and we thank everyone who volunteered, set up a booth, and came out to this event!
October marks National Crime Prevention Month. In recognition, the Irondequoit Police Department and the Irondequoit Police Volunteers hosted their 7th Annual Candlelight Vigil to honor victims of Domestic Violence. Irondequoit residents were invited to gather at the Town Hall gazebo to remember those who have lost their lives as a result of domestic violence, honor those who have survived, and support those working to prevent it. This event reminds us that we can't slow down, we cannot stop, and we must continue to be diligent and vigilant in our efforts to end domestic violence.

Walk with Willow

On October 13, 2018, Chief Tantalo participated in Walk a Mile in My Shoes for the Willow Domestic Violence Center. Walk a Mile in My Shoes is an event to raise awareness and support for victims of domestic violence in our community. Community members donated $1,180 to Chief Tantalo’s fundraising page, which contributed to the total of $29,100 raised. Thank you to all who supported Chief Tantalo and the Willow Domestic Violence Center of Greater Rochester during the Walk a Mile in My Shoes fundraising campaign.
**Purple Box Campaign**

Throughout the months of November and December, the Irondequoit Police Department, the Irondequoit Town Hall and the Irondequoit Library collected 22 boxes of items for the Willow Domestic Violence Center’s Purple Box Campaign. The purpose of the campaign is to provide gifts and necessities for people staying at the Willow’s emergency shelters. Toys, board games, clothing, hats, gloves, towels, toiletries, and many other items donated by members of the community and Town employees were delivered to Willow to be distributed to families staying at the emergency shelters during the holidays.

**Autism Awareness Family Day**

On April 28, 2018, the Irondequoit Police Department hosted their second Autism Awareness Day. Autism Awareness Day allows for law enforcement, individuals with Autism, and their families, to collectively work together to enhance the safety of those with Autism. Officers learned to engage with individuals with Autism to better understand how to handle emergency situations in which those with Autism are involved. Individuals with Autism were invited to the police department to become more familiar with police officers, what they do, and how to interact with them.
Autism Awareness 5k

On April 21, 2018, the Irondequoit Police Department, the Autism Council of Rochester and the Monroe County Chiefs of Police Association partnered to host the second Annual Autism Awareness “Heroes on Both Sides” 5K run and walk held at the Monroe County Public Safety Training Facility. The purpose of the race was to benefit the Autism Council of Rochester and Law Enforcement Autism training programs.

The event was a great success and we are looking forward to continuing our partnership with the Autism Council of Rochester and other Autism advocates in order to improve and build relationships and also offer additional Law Enforcement Autism training!

IPD “Shop with A Cop” Program

On December 15th, 2018, the Irondequoit Police Department hosted its annual “Shop with a Cop” program in partnership with Target of Irondequoit and the Irondequoit Nightstick Club, P.B.A. “Shop with a Cop” is a program that allows children to shop with a uniformed Irondequoit Police Officer and allows each child to purchase $100.00 in Christmas gifts that they would not otherwise have the opportunity to receive.

Irondequoit Police Officers volunteered their time to shop with the children, using funds donated by the Irondequoit Nightstick Club P.B.A., Target, the Irondequoit Rotary Club, American Legion Post #134, the Irondequoit Police Volunteers, and other ‘Secret Santa’ sponsors. Target also provided volunteers to assist children in wrapping their gifts to take home.

In 2018, 20 students had the opportunity to participate in the program. We were able to accommodate the largest number of students in the history of this program. Shop with Cop would not have been possible without the support of our sponsors!
Young Adults Forum

In reviewing the conversation from the Community Summits and Forums that was previously discussed it was easy to determine that the “voices and opinions” of young adults was minimal. In an effort to include this important group of stakeholders the Irondequoit Police Department pursued two initiatives that would provide a platform for such engagement. These platforms included discussion groups with local high school students that were visiting the Irondequoit Police Department and students at Monroe Community College who were enrolled in the Criminal Justice Program.

The High School students were enrolled in Law and Justice Classes and the Monroe Community College engagement occurred during “College Hour”. Both of these platforms focused on the President’s Task Force Report on 21st Century Policing and offered a great deal of insight and perspective from the view of young adults. This process was also documented in the Irondequoit Police Community Relations Forum “Report to the Community” and emphasized the importance of all us working together to enhance our partnership and sense of civic duty.

Bonding with Bears/Pirate Toy Fund

The Irondequoit Police Department partnered with the St Paul Fire Dept to form the “Bonding with Bears” Program for those in need. Our agencies will be utilizing these stuffed animal Bears to assist youngsters during a situation that raises emotion and a need for a calming perspective. These Bears have served to ease the anxiety that a child might be experiencing from a motor vehicle accident, domestic related situation or other emergency services response.

The Irondequoit Police Department in conjunction with the Irondequoit Public Library partnered with the “Pirate Toy Fund” to collect toys for use by First Responders n the Monroe County area. These toys serve to build a bridge between emergency responders and the families that we interact with on a daily basis. Some of the stressful situations we find youngsters involved in can be eased by utilizing one of these new toys that have been donated by the community.
Irondequoit Police Department supports “Special Olympics”

The IPD continued to support the efforts of New York Special Olympics and the Olympians that participate with “heart and soul” in these sporting events. The Irondequoit Police Department hosted its first Torch Run in our community in May of 2018. Irondequoit Police Officers were joined by Supervisor Seeley, students and educators from the Laurelton-Pardee School and the East Irondequoit Middle School along with the New York State Police in a Torch Run for Special Olympics. This was a great way to demonstrate our community support for those Special Olympians in a variety of events for both the summer and winter Olympics.

Applebee’s “Law and Orders”

Members of the Irondequoit Police Department and the Special Olympics Athletes participated in “Law and Orders” at Applebee's on East Ridge Road. At this event, Irondequoit Police Officers volunteered their time to serve customers alongside athletes. 100% of the tips they received were donated to the athletes and their events at the Special Olympics.
IronGates: Heroin/Opioid Crisis Response

In response to the Heroin/Opioid Crisis the Irondequoit Police Department partnered with Recovery Now NY; SOARS, Glad Tidings Church and Churches United Combating Addition (CUCA) created a community support site for those dealing with addiction. Although the Irondequoit Police Department had successfully conducted a heroin death overdose death criminal investigation that resulted in a Criminal Negligent Homicide conviction, we recognized that more needs to be done. The IronGates format was modeled after the Gates to Recovery Program and offered a local support site at Glad Tidings Church in Irondequoit. This resource is able to assist those individuals dealing with addiction as well as family members, co-workers and neighbors. In addition to those services IPD is available to assist with quality of life and Trillium Health conducts free Narcan training with a kit supplied to each participant.

Drug Free Irondequoit Coalition

The Irondequoit Police Department is a founding member of the Drug Free Irondequoit Coalition (DFI) that has taken a proactive position on education, information and awareness associated with risk behaviors. This community based coalition has focused on information sharing associated with vaping, drug use and alcohol abuse. The Coalition also attended many community events and staffed an information booth and also conducted “hidden In Plain Sight” displays to educate the public on the methods used to hide substances that can be harmful to an individual and has sponsored Community Forums on this important topic. This coalition has a broad level of support from government officials, PTSA reps, educators and school administrators, parents and students. Information about DFI can be obtained from https://dfitogether.org/
School Activities

The Community Engagement Unit implemented the Drug & Alcohol Awareness Program to fifth graders in the public and parochial schools throughout Irondequoit. Approximately 1,300 students participated in the two lessons, officer-instructed program. This program focused on how to make healthy and safe choices by learning to work through the decision-making process.

The Drug & Alcohol Awareness Program was funded by community donations given by The Irondequoit Rotary Club, The American Legion, and individual contributions. The Community Engagement Unit was able to speak to Dake Middle School students and Irondequoit High School students about social media and the effects that it could have on their lives.

School Events

Knowledge and Prevention – Substance Abuse and Social Media: A community panel discussion advising parents and young adults of the consequences of hosting an underage party involving alcohol and/or drugs as well as consequences of social media misuse.

Child Safety/Abduction Prevention/Personal Safety Presentations:

- Offered to 1,700 students grade K– 3rd at East Irondequoit Schools, West Irondequoit Schools, Christ the King and St. John Neumann.

Organized and Participated in F.A.C.T (Fatality Awareness & Crash Simulation Training) at Eastridge and Bishop Kearney High Schools.

School Halloween Parades – Crossing Guard Coordinator, Crossing Guards and IPD Road Patrol assisted with crossing children for local school Halloween parades.
“Caution Kids” Campaign

The “Caution Kids” Campaign was developed by the Irondequoit Police Department to raise public awareness of the potential consequences when motorists fail to obey traffic regulations that relate to school buses. School bus operators are encouraged to report problem locations and offending vehicles to the Irondequoit Police Department. The registered owner of the offending vehicle is notified by letter of the violation and advised of potential consequences for violation of the law. Locations that are identified as problem areas by school bus operators are monitored by police officers.

Officer Erin McCabe

The 2018 Officer of the Year Award was presented to Officer Erin McCabe. Officer McCabe was tasked with health care responsibilities outside of work for her ill husband. Throughout the past year, Officer McCabe faced many challenges with her home life, involving many different physical and emotional adjustments to make sure that she could provide the very best care for her husband and her family. Officer McCabe had not only done those tasks in stride, but she also had done them while still going to work and giving her very best every day.

Officer McCabe always helps fellow officers, no matter what the job entails and is an extremely proactive officer. Her work ethic has made her a leader amongst her platoon. The Greater Rochester Public Safety Strategic Diversity Initiative was created through the collaborative efforts of multiple stakeholders from the Greater Rochester area including the Irondequoit Police Department and other town, village, county, and city police departments, higher education, K-12 education, community non-profits, and local government human resource personnel. The initiative was established to create greater community access and equity to promote and foster diverse professional public safety organizations. The executive working group identified three main challenges that significantly contribute to the current lack of diversity in the public safety sector: negative perceptions of policing in America, general lack of awareness of targeted communities to the benefits of public safety careers, and sparse resources and ability to make meaningful changes to the current realities of poor recruitment results and hiring of applicants from underrepresented communities.
Support of the Guard and Reserve
