Vacant Property Registry Affidavit of Compliance

I hereby certify the vacant property complies with the regulations contained in the Irondequoit's Town Code Chapter 104, Vacant and Unsafe Properties (available on our website or at Town Hall). To indicate compliance, place a check mark next each item listed below.

- Exterior walls, including foundations, shall be maintained so that water does not penetrate into basements, cellars, or other interior areas. All exterior walls and foundations must be free of holes and crevices.
Exterior doors, windows, skylights and similar opening shall be maintained secured and weather tight.
Exterior stairs, porches, entrance platforms, fire escapes and the railings thereon shall be maintained in a safe and sound condition.
Roofs shall be maintained in a weather tight condition, secured by Normal Means or with other materials that are visually compatible with the existing roofing material and not unsightly. Tarps are not considered Normal Means or visually compatible.
Roof drains, gutters and down spouts shall be maintained in good repair and free from obstructions. Exterior surfaces shall be maintained in good condition. Surfaces not inherently resistant to deterioration shall be treated with a protective coating of paint or other suitable preservative. There shall not be excessive flaking, peeling or chipping of any protective coating.
The coverings for windows and doors with glass may not consist of any substance sprayed onto the glass doors or windows. All enclosures shall be properly fitted and be of such material and surface that they are neither unsightly nor will materially detract from the general appearance of the building or the neighborhood and secured by Normal Means.
The covering for broken doors and cracked or broken windows may consist of replacement glass, plexiglas, boards, plywood or similar materials finished and maintained in a manner recommended and approved by the Code Enforcement Official. The materials will be designed and of such color to blend in with the finish of the building. Windows that are not cracked or broken may be covered with interior blinds, curtains, shades, or decorative paper.
If a building is vacant for more than 30 days, all fuel gas, water, and utilities shall be disconnected at the mains and water pipes drained and winterized. Prior to such disconnections, the vacant building shall be heated to avoid freezing pipes; fuel gas pipe systems shall be maintained gastight, safe and operative condition; and water pipes shall be maintained to avoid leaks or breakage.
Fuel tanks shall be maintained so as not to be a hazard or be discontinued in a manner consistent with the Uniform Code.
Swimming pools shall be maintained in a clean and sanitary condition, in good repair and properly secured.
The Owner(s) should be aware of and comply with the town codes related to yard maintenance, garbage disposal and off-street parking. These regulations can be found in the following town code sections (available on our website or at Town Hall):
Town Code, Chapter 94, Brush, Grass and Weeds.
Town Code, Chapter 192, Solid Waste, Article II, Collection and Disposal.
Town Code, Chapter 235, Zoning, Article XIV, Off-Street Parking and Loading, § 235-77A.
