WHEREAS, pursuant to sections 459-c and 467 of the Real Property Tax Law, the Town of Irondequoit, County of Monroe, the East Irondequoit Central School District and the West Irondequoit Central School District grant certain reductions in the amount of property taxes paid by qualifying persons, including those with limited income, disabilities and senior citizens; and

WHEREAS, it is the responsibility of the Town Assessor to verify eligibility for those tax reductions, and to provide the appropriate exemption of assessed value of real property on the tax roll; and

WHEREAS, many residents historically visit Town Hall in the first two months of the New Year to provide documentation demonstrating their eligibility for such tax reductions, a process that generally must be completed through in-person engagement with Town staff; and

WHEREAS, Chapter 381 allows localities to adopt a local law or resolution which includes procedures by which the assessor may require a renewal application to be filed when she has reason to believe that an owner who qualified for the exemption on the 2020 assessment roll may have since changed his or her primary residence, added another owner to the deed, transferred the property to a new owner, or died.

NOW, LET IT BE RESOLVED, that the Town Board of the Town of Irondequoit, as authorized by Chapter 381 of the Laws of the State of New York for 2020, does hereby direct the Assessor to develop and utilize procedures by which she may require the filing of renewal applications for exemptions offered pursuant Sections 459-c and 467 of the Real Property Tax Law if she has reason to believe that an owner who qualified for the exemption on the 2020 assessment roll may have since changed his or her primary residence, added another owner to the deed, transferred the property to a new owner, or died.
